Hyderabad, Telangana

Education_____

B.Tech in Computer Science

Swami Vivekananda Institute of Technology — Expected to graduate in 2027

Junior College

Narayana Junior College — 2021-2023

Key Skills_____

- Data structures & Algorithms
- System Design
- Version Control
- Python, C++, Oop-Java

Strengths_____

|Strong analytical & logical reasoning

|Creativity in approaching technical challenges

Internships & Projects_____

1. Smart Attendance System Using Facial Recognition
Technologies: Python, OpenCV, SQLite

2. Portfolio Website
Technologies: Javascript, React.js, HTML, CSS

3. Web Development Internship (Training Project)
Internshala / Coursera | Jan 2024 – Feb 2024

Courses Completed_____

|Data structures & Algorithms (DSA)

|Data Mining & Data Warehousing

|Big Data Analytics
